********** Description of Security Guards of Mcgill **********

Abdoul, he used to Drive the car FSE-9886

There is another one who drives FKE-4930

****
There are at least six (6) Security Officers in the Mcgill Library:

—---------- > We have crossed one Security Officer on the July 28th, 2026 on the road in front of Mcgill (in the evening). He is the one he is used to come early in the Mcgill Mclennan Library, and he very young black Man, He speak english very well. figure 1.1 . (he has black pants, but he does not wear GardaWorld Cothes often)

figure 1.1 : Security Officers

—----------> There are two other who were used to stay in the McConnell Enginneering Building; Today, there was one in front of the main building entrance of Mcgill [] figure 2, he is older and is used to wear GardaWord Clothes:

figure 1: GardaWorld Clothes

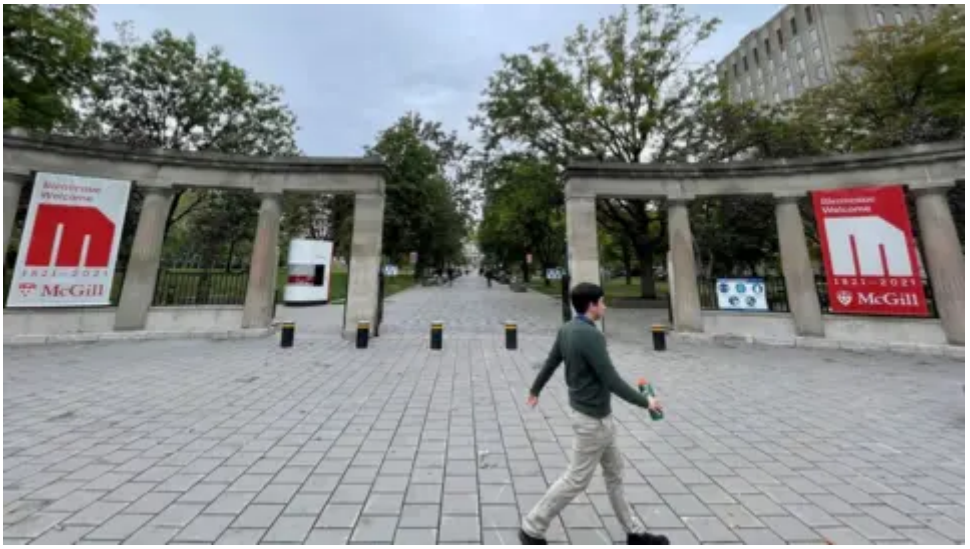

figure 2: the main building entrance of Mcgill

and the second Security Officer of McConnell Building has crossed the street with Us, today August, 05, 2026, on Mcgill University Road - he is used to wear a hat [figure 3]

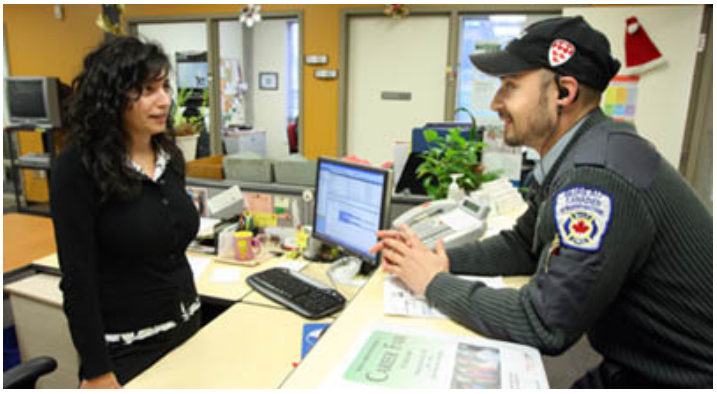

figure 3: Mcgill Security with a Hat

IMPORTANT: We have talked to a new security officer of Mcgill in the Physics Department, July 25th, 2026. We met him another day.

There is also a white Man, that comes often in Mclennan Library, he is used to come in the evening. But he is very natural, young spirit, and very kind.

There are also some caretakers with yellow machine : [figure 4]

figure 4: Yellow Cleaning Machine

Housing Visitation

> 1025 Rue Sherbrooke, on August 03th, 2026 [we talked to a Tunisian in the Night, on 20th floor]. When we were coming, there were some girls, a girl and a man in the entrance building.

> 315-Boulevard-Rene-levesque: we are welcomed by a woman. it was August 04th, 2026.
